FAQ

General Soccer Information	Tryout Information
● Plano East Boys practice will take place at Williams High School, until November. ● Practices will typically begin at 7:45am, until 8:50am. This will give them time to shower, eat, and return to their home campus. ● The season begins after Thanksgiving, where we will have three teams (Varsity, JV1, and JV2). The season takes place during December - March, with games over Winter Break and possibly Spring Break (varsity playoffs).	● All RankOne information must be completed online before being allowed to try out. ● Tryouts will take place the first two weeks of school. Athletes will have a bus to their home campus (9:30am) if they are not Williams HS students. ● Cuts/schedule changes will be made multiple times throughout the two weeks. ● Equipment: black shirt, cleats, and shinguards. ● If you are not in the soccer/athletics period, you must find your own ride to your campus. DO NOT SKIP YOUR FIRST PERIOD. ● Around 48-55 student athletes will be chosen for preseason, with 10-15 added during our November tryouts before Thanksgiving. ● Making the team/class/preseason does not automatically guarantee a spot on a team.
